# THE X7

*Actual car specifications may vary from the picture shown above. Details for the options availables, please speak to your authorized BMW dealer.

Luxurious finishes, elevated comfort, and modern technology: THE NEW X7 is here and ready to exceed all expectations. With a lasting first impression the BMW kidney grille gives the front of the car an even more dynamic and athletic look. And for the first time M Sport package comes as standard that includes enhancements inspired by BMW M – incl. 21" M light alloy wheels and M Sport brakes.

Generously spanning the dashboard, the newly standard BMW Curved Display is the perfect platform for the latest iDrive 8 Operating System. THE NEW X7 also equipped with impressive standard safety features such as Active Blind Spot Detection, Frontal Collision Warning with City Collision Mitigation, and Lane Departure Warning. Driving Assistant Professional also in the back of your palm to help with everyday driving tasks like braking, following car ahead or changing lines.

Comfort extends beyond the cabin of the BMW X7. Standard 2axle air suspension provides incredible driving comfort, while the adjustable height allows for easier entry and loading. And worry not, THE NEW X7 offers precise driving characteristics and optimum control with the Integral Active Steering, and xOffroad package that provides finer tuning: four selectable off road modes for any conditions ahead.

# THE X7.

## X7 xDrive40i M Sport.
