

A forward stance. Classic BMW design is reinterpreted into a progressive sports coupe with a vertical kidney grille, impressive air inlets, and intense LED headlight designs that comes with BMW Laserlight technology as well as M Lights Shadowline.

Sophisticated silhouette. Elegance flows through the sloping roofline, while the sculpted rear wheel arches and standard 19" wheels accentuate its muscular physique.

Driver-focused interior. Supportive standard Sport seats with detailed stitching and the layout of the cockpit places the driver at the front and center.

THE NEW 4.
