

THE iX

Aerodynamic vitality with exclusivity in mind. The most aerodynamic SAV built by BMW, the iX slices out a drag coefficient of just 0.25 Cd. It takes two to tango, that's where BMW Individual Exterior Line Titanium Bronze and BMW Individual exclusive paintwork combined into one. It topped off with an exceptional design of Sport package that also comes with 21" aerodynamic wheels styling 1012.

Innovation beyond the surface. The groundbreaking BMW IconicSounds Electric in collaboration with Hans Zimmer, The boldly BMW Live Cockpit Professional with curved display – extending halfway across the dashboard appears as though it's floating, Driving Assistant Professional and Parking Assistant Plus as standard.

Fulfill your daily, fulfill your joy. With an electric range of up to 420 km, you can benefit lots from it and not to mention the charging time will only take you in up to 31 mins. at 150 kW initially (DC, fast-charging station). This car can also accelerate from 0-100 km/h in just 6,1 s when you need it.

THE iX.
